Dear Father,

I am writing this letter to recommend Mr./Ms.[Student Full Name], _____
son/daughter of [Parent's Name], _____
residing at [Ward name] _____, for the sanction of an
educational loan to pursue [Course Name]_____ at [University/College
Name]_____.

I know the applicant and the family. The student is well behaved, sincere, hardworking, and committed to academic excellence. The family is respectable and values education highly.

I strongly recommend your esteemed organization to consider this application sympathetically and provide "Suvidya" Interest free Education Loan – a revolving education fund under the **Kuwait Canara Welfare Association (KCWA)**. I believe the applicant will make good use of this opportunity and complete the studies successfully.

Kindly mention the student and family condition, any disabilities etc.

Please feel free to contact me if any additional information is required.
